MTACC HISTORY

The Music Teachers Association of Charles County, Inc., held its first informal meeting in September 1986 as a group of five piano teachers who wanted to discuss their studio practices and choice of lesson materials. By June 1987, the number of teachers attending had increased to fourteen, and on July 1, 1987, the Music Teachers Association of Charles County was formed as an affiliate of Maryland State Music Teachers Association and Music Teachers National Association.

MTACC conducted its first official meeting on September 17, 1987. In this initial year, the Association held teacher workshops, hosted MSMTA speakers, sponsored two student recitals, and held MSMTA Theory and Keyboard Musicianship testing for the members' students.

When founding member and original secretary-treasurer Norma Killen Scott died tragically in 1988, MTACC established a memorial scholarship in her name. The scholarship was renamed in 2019 to honor retiring member and MTACC founder, Judith M. Dalton. Mrs. Dalton gave over 30 years of love, enthusiasm, commitment, and wonderful programs to MTACC. The original scholarship format evolved into two separate categories: one for music majors or minors, and one for students who deserve recognition for their musical achievements but will not be studying music in college. MTACC also offers scholarships for students in grades five through twelve, including one provided by MSMTA.

In 1993, an Annual Festival was added to the MTACC Student Activities list. Each year approximately 140 students participated in the adjudicated solo and ensemble recitals. In 1995, a piano ensemble Monster Concert was added to the festival weekend for an exciting finale to the day. When the springtime Sonatina and Sonata Festival was started in 1996, the Monster Concert became the only fall performing event, and the adjudicated festival was set aside. In 2004, the Tenth and final Annual Monster Concert was held. In 1996, MTACC added the Sonatina and Sonata Festival, a competitive, adjudicated event in a recital setting. The two most accomplished performers in each class are recognized the next day at the Concert of Winners, where they receive a trophy indicating level and class. The honorable mention winners are recognized in the Recital Program presented at the Concert of Winners.

In October of 2008, MTACC held *Celebrate 350! A Musical Happy Birthday to Charles County*, which consisted of students and teachers presenting themed performances on harpsichord, piano, organ, flute and voice based on celebrating the 350th birthday of Charles County, Maryland.

In 2011-2012, MTACC celebrated its 25th Anniversary as a local professional organization. Various events and activities were held to highlight the benefits of growth and opportunity which MTACC has provided to teachers and students throughout the past 25 years.

In addition to competitive and non-competitive events for students, MTACC offers many interesting workshops, master classes, performance opportunities and forums to help member teachers continue their own education and growth as music teachers. As MTACC evolves and its students' needs are assessed, our members are always flexible in deciding what events best serve the mutual good of teachers and students. MTACC teachers are proud to be leaders in our community!

MTACC Student Dress Code

Established July 2002

Because students have occasionally appeared at MTACC events in clothing which was not appropriate to the event, the following dress code was created to help teachers and students know what is expected. Please be sure to emphasize these guidelines to your students.

Students are to appear at MTACC sponsored events dressed appropriately. Doing so shows respect for themselves, for their teacher, and for the event.

A. Recitals, competitions and other performance events:

Boys: Slacks, dress shirt, dress shoes; tie and jacket optional.

Girls: Skirt & Blouse/Dress or dress pants ensemble;

Dress shoes with low heels.

No jeans or sneakers. Remember to be modest.

B. Keyboard Musicianship and other test situations:

Boys: Slacks or neat jeans, dress shirt or knit shirt.

Girls: Dress or slacks, neat jeans, appropriate top

Students will not be permitted to participate in performances if dressed inappropriately. Judged events require much preparation, and looking well-prepared is part of being well-prepared. Many judges take appearance into account when deciding on “Stage Presence” ratings. Bowing, smiling and looking “dressed for the occasion” are all important, and judges do notice these.

Students must change out of sports attire before testing events, etc. Sweatshirts and tee-shirts with messages are distracting and are not allowed.

Teachers, please display a copy of this page in your studio and/or distribute to your students before events or in your policy statement.

MUSIC TEACHERS ASSOCIATION OF CHARLES COUNTY

Spring Evaluation

The MTACC Spring Festival will be held on Saturday, March 14, 2020 at Grace Lutheran Church in La Plata, Maryland. This is a non-competitive, adjudicated event with recitals held throughout the day, as scheduled. The fee is \$5.

School age children (elementary through high school) will perform two pieces from different time periods from memory. The exception to this is that music which corresponds in level to that found on the Sonatina/Sonata Festival repertoire list levels 1 and 2 need be contrasting in style only, not necessarily in period. Students must provide copies of original music to the judges for adjudication. Performance is limited to 10 minutes per student.

Students will be grouped according to age and will perform in a recital setting. Judges will provide an adjudication for each student. Students will receive a certificate and an adjudication sheet from their individual teachers after the event.

All teachers with participating students will be expected to volunteer at this event as needed.

**MUSIC TEACHERS ASSOCIATION OF CHARLES COUNTY
2019-2020 SONATINA & SONATA FESTIVAL: PIANO SOLO**

MTACC's Twenty Third Annual Sonatina & Sonata Festival will be held on Saturday, April 25, 2020, at Grace Lutheran Church and Christ Church, La Plata. This is a competitive event, which will be followed by a Concert of Festival Winners the following day, Sunday, April 26, 2020, at 3:00 in the afternoon at Christ Church in La Plata.

School age children (elementary through high school) may enter any of the nine levels, from Elementary to Advanced. Each applicant will perform one movement of a Sonatina or Sonata and a piece from a contrasting period. (Note rule 2 below, which exempts levels 1 and 2 from this requirement.) In the first seven levels, students must choose from the MUSIC SELECTION LIST provided on the following pages. Levels eight and nine may play a Sonata movement and a contrasting composition of their choice with prior approval of the Festival Committee. (The selections for Levels Eight and Nine must be submitted in writing for pre-approval prior to Jan. 31. Include title, opus number, movement, composer, periods, timing and send to Michele Avrick.)

Students will perform in a recital setting grouped according to their levels. Large enrollments in a class will be grouped by age. Judges will be asked to pick three winners, if possible: First Place, Second Place, and one Honorable Mention. There will be no ties. **The First and Second Place winners are REQUIRED to perform in the Concert of Winners the following day.** Exceptions will be made for medical or family emergencies. Any winner failing to appear will be ineligible to participate in the Festival the following year. Any teacher who knowingly enters a student who will be unable to perform in the Concert of Winners will not be able to enter students in the Festival the following year. We want this event to be fair to all of the participants. Any student wishing to play in the Festival but who has other commitments on Sunday afternoon may be entered non-competitively and will play in the group after the other students have performed, been judged, and winners have been selected. Non-competitive students will receive an evaluation but not a grade.

SONATINA & SONATA FESTIVAL: PIANO SOLO RULES

1. Students of instructors who have been on the membership roll of MTACC for at least six months prior to this event will receive priority in registration. Students must currently study with an MTACC teacher and have completed at least six months of study with that teacher prior to the Festival deadline. Students may enter only one level each year.
2. Students must play one sonatina or sonata movement and one contrasting period piece. The only exception to this rule is for levels One and Two, for which students may choose a second piece from the same period, but it should contrast in style with their sonatina choice. Both must be chosen from the same level of the **MUSIC SELECTION LIST** provided for this year's Festival. (The teacher may choose to use editions other than those listed, but the music must remain intact: no simplified or shortened versions will be acceptable.)
3. All music must be memorized.

Sonatina & Sonata Festival

Sponsored by MTACC

Dear Parent:

Your child has been selected to take part in the Music Teachers Association of Charles County Sonatina & Sonata Festival. This is a competitive, adjudicated event held in a recital setting. The festival will take place on April 25, 2020 at **Grace Lutheran Church and Christ Church, La Plata. The fee is \$15.00.**

Each student selected to participate is working hard to prepare one movement from a sonatina or sonata, and one contrasting piece, both of which will be played from memory at the festival. The pieces are arranged by level, from one to nine, with one being the easiest, and are chosen from a list provided by the MTACC. Students will be playing in recitals grouped according to level, not by age.

The selections your child will be performing are as follows:

Student

Name: _____ **Level** _____

Sonatina: _____

Composer: _____

Contrasting Piece: _____

Composer: _____

Students who place first or second in their group will perform one of their pieces at the Concert of Winners on the afternoon of April 28 at the Christ Episcopal Church in La Plata at 3:00 p.m. Winners will receive their prize at the end of this concert. **All 1st and 2nd place winners are required to perform in the Concert of Winners.**

The specific time that your child's level will perform will be made available to you as soon as we receive it from the MTACC chairman for this event. Directions to the church will also be sent home at that time.

We are excited about your child's participation in this event. All students who perform in the festival are winners, whether they receive a prize at the event or not. As always, please feel free to contact me with any questions you may have.

Sincerely,

Sonatina & Sonata Festival Scheduled April 25 & 26, 2020

Note: *Students who place first and second in their group will have the honor of performing in the Concert of Winners at 3:00 p.m. on April 28 at Christ Church, La Plata.*

Instructions for Sonatina & Sonata Festival Participants

Students must take their music books with them to the festival. They will be asked to open the books to the pages of the pieces they will perform and hand the books to the judge when it is their turn to play. Copied sheets are not acceptable; you must have the books that your pieces are in.

Students should plan to arrive at the festival location 10 minutes before their scheduled recital time. Check in with the monitor as soon as you arrive, and you will be given further instructions.

Students should dress as follows:

Girls: Dress or skirt and blouse, dress pants ensemble.
Dress shoes – No extremely high heels.
Remember to be modest.
